

**Weeks 1&2**

**LEARNING + FUN =  
SUMMER SCHOOL!**

**11th-15th & 26th-29th August**

**Catch-up Literacy & Numeracy with  
Summerfest Fun (Age 9-13 years)**

An exciting new programme, piloting this year, offers your child the very best of both worlds – half a day's specialist tuition in literacy and/or numeracy combined with half a day's Summerfest fun!

Following an individual baseline assessment, one-to-one support will be tailored to meet your child's needs including spelling, reading, writing, word processing and important numeracy skills. Group sizes will be kept small and the half days provide a great mixture of classroom exercises and fun activity. On booking, your child chooses between four Summerfest activities - All Sports, Street Dance, Funky Labs or Smart Art – and can select a different activity each week if booking for both weeks.

To avoid disappointment, please book your place before 23rd May 2014. Discount available if booking for two weeks.
