

Council for the Registration of Schools Teaching Dyslexic Pupils

Fees for Schools & Centres from September 2023

Initial Registration Visit

CReSTeD will invoice the school or centre in advance of the visit for the consultant(s) fee and expenses¹. The fee for the initial registration visit varies depending upon the category applied for and the size of the school:

- Categories: DSP, LSC or SPS²: (2 consultants) £1400
- Categories: MS, TC or WS (1 consultant) £700

Review Visit (due to change of premises, or other significant event)³

- All schools irrespective of category or pupil numbers:
£700 – (1 consultant)⁴

Annual Registration Fee	Maintained Schools	Centres ⁵	Independent Schools
In first year of Registration: payable on approval by Council	£55	£60	£300
Each subsequent year of membership: payable by 1 st September each year	£300	£475	£660

Re-registration visits

Schools agree to be revisited every 3 years to maintain their inclusion in the Register £0

¹ Consultants are self-employed and serve as agents of Council. Schools will be invoiced by CReSTeD for the visit fee plus a standard cost of £217 per consultant to cover expenses. The fee covers all costs associated with the visit including the consultant(s) fee, travel and accommodation expenses, regardless of location within the UK.

² Smaller schools (less than 50 pupils) will be visited by one consultant, regardless of the category applied for.

³ The cost of subsequent visits is met from the Annual Registration Fees, however, additional visits conducted because of a significant alteration to the provision within the school will incur a fee.

⁴ Council reserves the right to send two consultants in exceptional circumstances.

⁵ Centres relate to establishments operating independently of any school, not units operating within the school environment.
