<b>Comments:</b> The Preparatory School Learning Centre is proud of its excellent reputation for providing specialist support for pupils with mild dyslexia, dyscalculia and dyspraxia. We provide different levels of support, including one-to-one teaching with SEND qualified staff, differentiated classroom environments and targeted teaching methods. Through this support, we aim to boost self-esteem and meet the individual needs of our children alongside the mainstream curriculum. Our specialist one-to-one teachers work closely with teaching staff to ensure the needs of our children are effectively met in all aspects of school life.					
We carefully consider the profiles of prospective pupils, in order to gauge our ability to make the reasonable adjustments required to meet their individual needs.

**Gives Choice to Parents**

**Our aim is to help parents, and those who advise them,  
to choose schools for dyslexic children.**

**We maintain a register of schools which meet our criteria  
for the teaching of pupils with  
Specific Learning Difficulties.**

**Our work is supported by:  
British Dyslexia Association,  
Dyslexia Action,  
Dyslexia SpLD Trust  
&  
Helen Arkell Dyslexia Charity**
